

# PRIYANSHU MAURYA

<https://github.com/satyasaadhika> | <https://satyasaadhika.github.io>

## Objective

---

Highly motivated computer science student eager to gain hands-on experience in web development through an internship. Looking to contribute to a collaborative team environment while expanding knowledge of industry trends.

## Experience

---

Aryan Computers	Bihar – IND(Remote)
Front-End Development Internship	Aug,2024 –Feb,2025
EARTH5R	Mumbai – IND (Remote)
Artificial Intelligence and Machine Learning Content Writing Volunteer	Apr,2024 – Jun,2024

## Skills

---

HTML, CSS, JavaScript, Bootstrap, Responsive web Design, Python, Django, MySQL, MongoDB, REST APIs, C/C++ Programming Languages, PHP, git and GitHub, Vercel, CI/CD, WordPress, Figma, UI/UX

## Certifications

---

- [Version Control](#) (Meta) Issued – February 2024
  - ✓ Skills: git, GitHub, collaboration, branching, forking, conflict resolution, code quality and review
- [Responsive Web Design](#) (freeCodeCamp) Issued – November 2023
  - ✓ Skills: HTML5, CSS3, media queries, flexbox, CSS grid, cross browser compatibility, accessibility
- [Back End Development and APIs](#) (freeCodeCamp) Issued – January 2024
  - ✓ Skills: Node.js/Express.js backend server, MongoDB and mongoose, design JSON RESTful API
- [Programming With Python](#) (Meta) Issued- June 2024
  - ✓ Skills: language fundamentals, scope and recursion, standard libraries and modules, OOPs
- [Back-end Developer](#) (Meta) Issued- July 2024
  - ✓ Skills: Python Programming, Databases, HTML and CSS, SQL, Programming Principles, Algorithms, Software Testing, Web Development, Version control and collaboration with git and GitHub, MySQL database, CRUD operations, connecting database with applications
- [Django Web Framework](#) (Meta) Issued- June 2024
  - ✓ Skills: Django Web Framework, Django Templating Language, routes, views, data models
- [Introduction to Database for Back-end Development](#) (Meta) Issued- June 2024
  - ✓ Skills: relational database design, SQL queries, and back-end integration for CRUD operations, enhancing data retrieval efficiency and application performance, DBMS

- [The Full Stack](#) (Meta) Issued- June 2024
  - ✓ Skills: full stack concepts, well structure interactive responsive websites, Django backend, MySQL database and DRF APIs to update dynamic pages and forms. VM, containerization, and cloud hosting, scaling and load balancing. Intro to SaaS, PaaS, DBaaS, and CDN
- [APIs](#) (Meta) Issued- July 2024
  - ✓ Skills: Django REST Framework, Principles of REST architecture, integrate external services, test, optimize and develop documentation for an API
- [Building Database Applications in PHP](#) (Meta) Issued- July 2024
  - ✓ Skills: Hypertext Preprocessor (PHP), Create, Read, Update, Delete, MySQL, Database Systems

---

## Education

---

VEER BAHADUR SINGH PURVANCHAL UNIVERSITY JAUNPUR  
*Bachelor of Computer Application (BCA) Computer Science*

Uttar Pradesh IND  
Aug, 2026

- Coursework – Operating system, Algorithms, Data Base Management System, Software Engineering, Programming Languages, Data Structure, Computer Graphics & Animation, Computer Programming, Systems Design, Computer Architecture, Systems Analysis, Computer Engineering, Code Review, Web Pages

---

## Projects

---

### [Capturer – we capture moments](#)

- A Photography Portfolio Page for a Photographer built on HTML | CSS | JavaScript. Additionally, it uses Bootstrap version `5.2.0` for styling.
- Created stunning and user-friendly interface with a hero carousel, masonry image gallery, testimonials slideshow, and a portfolio smooth slider. Implemented optimal experience across devices, screen sizes and browsers
- Deployed using GitHub environments on Vercel in a CI/CD manner

### [Personal Portfolio website](#)

- A Personal Portfolio Page for a built-on HTML | CSS | JavaScript. Additionally, it uses Bootstrap version `5.2.0` for styling.
- Created clean, professional and user-friendly interfaces for optimal user experience. The portfolio is responsive and has optimal performance on all devices and screen sizes.
- Deployed and hosted on GitHub pages, with version control managed through GitHub.

---

## Language

---

Hindi, English, Awadhi

---

## Learning

---

I have always been keen on exploring new technologies and trends. I am committed to continuous learning and upgrading my skills to stay abreast to the latest industry developments, ensuring that I refine my abilities.
